Beresford Zion UMC

Builders Club Call ~ Spring 2019

Let us consider how to inspire each other to greater love and to righteous deeds, not forgetting to gather as a community, as some have forgotten, but encouraging each other.

Hebrews 10:24-25

The Beresford Zion UMC in Beresford, SD is on a journey to improve their presence and witness in the Beresford community. That journey, they have discovered, starts by investing time and resources within their own church and leadership.

Beresford Zion UMC is investing in Pastor Katie Ricke by equipping her with the knowledge and skills to lead the church into the future. They have supported her as she learns to lead in the administrative aspects of a church, such as fundraising, organizational leadership, human resources, and meeting the demands of a growing church. This process encouraged Pastor Katie and the Beresford Zion UMC to become a church for the community by hosting events, supporting local ministries, and being the presence of Christ throughout the community.

One of their primary ways of engaging the community is through the communication of events happening in the church, as well as information about worship times and Sunday school. Situated on a main road as people enter Beresford, the church is in a prime location for conveying its message of hope, love, invitation, and information to people passing by. Their goal is to install a new electronic sign that will help the church take their presence beyond their doors and share the love of Jesus throughout the Beresford community.

Beresford Zion UMC invested in the leadership of Pastor Katie and now, together, they are committed to sharing the mission of making disciples of Jesus Christ in their community by providing effective communication to share the love and hope of the Holy Spirit.

We thank you for your continued support of the Builders Club and ask that you prayerfully consider a gift of \$20 or more to support Beresford Zion UMC. The gifts for this call will be received until June 30, 2019.

Lead Trinity UMC thanks you

Trinity United Methodist Church of Lead/Deadwood greatly appreciates the support from the Builders Club. The money received is allowing us to renovate the front office space of our Christian Ministries Center for our church and pastor's offices. In addition to this renovation, we are also looking forward to renovating the current church and pastor's offices into a designated space for youth. We hope both these projects with help us to connect with our community and our youth. Thank you for your support, and for helping this dream become a reality.

Because you gave...

Builders Club is unique in that it is a partnership of hundreds of individuals, organizations, and churches across North and South Dakota. Individually the gifts wouldn't make much of a difference, but together, they provide the support and opportunity for change. In the same way, a single church being helped doesn't make a big difference, but the number of churches that have received support of the years has added up and thousands of lives have been reached for Christ because of it.

Make a difference

Each year, the Builders Club chooses to support the building projects of four churches across the Dakotas. The goal of Builders Club is to assist churches in need of financial support for their building, remodel, or expansion projects. By providing support for the building projects of churches, it allows them to grow current ministries or build new ministries to make disciples of Jesus Christ for the transformation of the world.

“According to the grace of God given to me, like a skilled master builder I laid a foundation, and someone else is building on it.”

1 Corinthians 3:10

If you would prefer to receive your Builders Club notices by email, send your name and email address to info@dakotasumf.org to be added to the email call list. Write Builders Club in the subject line.

Thank you for helping us conserve postage and paper for this important ministry.
