Fall 2023 Call

Hettinger UMC
Hettinger, ND

Hettinger United Methodist Church

Builders Club Call ~ Hettinger 2023

He said to them, "Go into all the world and preach the gospel to all creation." Mark 16:15

The United Methodist Church of Hettinger, ND is a caring community of God's people seeking to make disciples of Jesus Christ. They are a congregation that loves Jesus and loves to laugh, sing, honor, and celebrate each other's gifts as they worship, study, and join in fellowship in Christ's name. Hettinger UMC welcomes everyone to come as they are and experience what God has in store for them.

One of the many ways the congregation at Hettinger UMC continues to grow, reach new people, and share in fellowship is through their presence in the community. They seek opportunities to invite people to their church through Sunday School, small groups, and free concerts.

Hettinger UMC loves their community, and to continue their community ministries, they need to repair their roof over the Sunday School rooms. To address safety and insurability concerns and prevent future issues, the roof must be repaired, some rafters need mending or replaced, and new shingles must be installed to complete the project. These resources will aid the caring people of Hettinger to continue growing their many ministries as they reach new people in Christ's name.

"Financial assistance from the Builders Club demonstrates the connectional systems across the Dakotas Annual Conference. It's overwhelming to know the support of our neighbors and friends as United Methodists." Pastor Laurie Kidd.

We are so grateful for your continued support of the Builders Club and ask that you prayerfully consider a gift to support Hettinger UMC. The gifts for this call will be received until December 31, 2023.

Woonsocket Spirit of Faith thanks you . . . \$7,000 granted!

Spirit of Faith Lutheran-Methodist Church extends our deepest thanks for the generosity of our Builders Club partners throughout the Conference. When Spirit of Faith was first dreamed up as a risky venture of faith in 2016, uniting two denominations in a small town, we trusted the wisdom and guidance of the Spirit would not lead us astray. Our new church building continues to be a source of genuine welcome and joy in the community. But we lacked proper signage to share that welcome and other information with others.

The generosity of our Builders Club partners has allowed us to purchase and install a high-tech, digital LED sign that can easily be updated from anywhere. We imagine this as a resource not just for this congregation but for the wider community, sharing important events and information, but also sharing the most important message of all: "God Loves You!"

If you would prefer to receive your Builders Club notices by email, send your name and email address to info@dkmmmf.org to be added to the email call list. Write Builders Club in the subject line.

Thank you for helping us conserve postage and paper for this important ministry.

Because you gave...

Builders Club is unique in that it is a partnership of hundreds of individuals, organizations, and churches across North and South Dakota. Individually the gifts wouldn't make much of a difference, but together, they provide the support and opportunity for change. In the same way, a single church being helped doesn't make a big difference, but the number of churches that have received support of the years has added up and thousands of lives have been reached for Christ because of it.

Make a difference

Each year, the Builders Club chooses to support the building projects of four churches across the Dakotas. The goal of Builders Club is to assist churches in need of financial support for their building, remodel, or expansion projects. By providing support for the building projects of churches, it allows them to grow current ministries or build new ministries to make disciples of Jesus Christ for the transformation of the world.

"According to the grace of God given to me, like a skilled master builder I laid a foundation, and someone else is building on it."
