Fall 2022 Call

ReNew UMC
Kenmare, ND

Kenmare ReNew UMC

Builders Club Call ~ Fall 2022

Therefore we do not lose heart. Though outwardly we are wasting away, yet inwardly we are being renewed day by day. For our light and momentary troubles are achieving for us an eternal glory that far outweighs them all.
– 2 Corinthians 4:16-17

ReNew United Methodist Church in Kenmare, North Dakota desires to be a place where people can come and renew their connection with each other and God. The ReNew UMC congregation describes themselves as a causal church with a contemporary attitude and welcomes all to come as they are.

As a recent missional church plant, ReNew UMC looks for ways to reach out and connect with families in the area that have previously not been connected to a church. Kenmare, ND is located on the eastern edge of the Bakken Oil Rush. The oil booms and busts in the area have presented unique ministry opportunities as well as challenges.

ReNew UMC is one part of the three-point North Prairie Parish in the communities of Kenmare, Bowbells, and Sherwood. The previous pastor lived in the parsonage in Mohall, which was a part of the Parish until it closed in 2019. A new pastor was recently appointed to the North Prairie Parish and is living in the parsonage in Kenmare. Because the parsonage sat vacant for many years, the house has seen better days. The shingles and gutters of the parsonage and garage are in desperate need of being replaced. The church members have come together to provide a welcoming place for their new pastor, but the congregation still owes \$45,000 for a loan to purchase the parsonage at the height of the oil boom.

All three of the congregations in the North Prairie Parish strive to live out their calling to reach new people for Jesus Christ. The financial burden of repairs to the parsonage takes their minds, talents, and resources away from ministry. Members of ReNew UMC want to take care of their pastor, so their pastor can better care for the churches and the communities of the North Prairie Parish.

We are so grateful for your continued support of the Builders Club and ask that you prayerfully consider a gift of \$25 or more to support ReNew UMC. The gifts for this call will be received until December 31, 2022.

Asbury UMC thanks you \$9,000 granted!

Because you gave...

Builders Club is unique in that it is a partnership of hundreds of individuals, organizations, and churches across North and South Dakota. Individually the gifts wouldn't make much of a difference, but together, they provide the support and opportunity for change. In the same way, a single church being helped doesn't make a big difference, but the number of churches that have received support of the years has added up and thousands of lives have been reached for Christ because of it.

Make a difference

Each year, the Builders Club chooses to support the building projects of four churches across the Dakotas. The goal of Builders Club is to assist churches in need of financial support for their building, remodel, or expansion projects. By providing support for the building projects of churches, it allows them to grow current ministries or build new ministries to make disciples of Jesus Christ for the transformation of the world.

“According to the grace of God given to me, like a skilled master builder I laid a foundation, and someone else is building on it.”

1 Corinthians 3:10
